The official LINE account for Ichinoseki City COVID-19 vaccination

An official LINE account for vaccination reservations and transmission of information about vaccinations has been launched. To get the latest vaccination information, install the LINE app on your smartphone and then "Add friend" (QR code on the next page). * The city's official LINE account is used to disclose information on vaccinations and provides a link to the 'vaccination reservation system' separate from LINE, meaning that there is no entering of personal information such as 'name' or 'date of birth' directly into the LINE app.
